

BOARD OF DIRECTORS

We are turning 75 in 2025! The Board of Directors, along with the NBGC 75th Anniversary Committee, are excited to celebrate this important milestone with the members of our Club and the City of North Bay. The 75th Anniversary Committee has worked together to create a special NBGC 75th anniversary logo, which you will soon see on display around the Club and throughout the community. We hope that it will serve as a commemorative symbol of our past 75 years.

We are looking for your help! We would like to hear from you, the members, about how you would like to recognize this momentous occasion. We've made it easy to share your ideas and suggestions on which events, activities, or projects would be meaningful for our membership. Please take a few minutes to answer a couple of questions or provide any feedback that you might have here: [Granite Club 75th Anniversary Celebrations](#)

Please come join us! The 75th Anniversary Committee will be meeting again in the new year, and we hope that you will want to be a part of it! We are looking forward to working together as a team to plan a celebration for all members and one that will welcome the community to share in our Club's history.

On behalf of the North Bay Granite Club Board of Directors, I would like to wish you all a restful and relaxing holiday break, and best wishes for the new year.
